Terms & Conditions

Please read the Terms and Conditions carefully before submitting your order.

* Only submit a photo over which you own the copyright, or have the copyright owner's permission to use.

* If Gypsie Designs for any reason suspects that the copying of the submitted photo will infringe copyright, or be defamatory, or may otherwise infringe any other law, we may refuse to copy that photo. Gypsie Designs reserves the right to ask you to prove that you have the right to copy the photo or that you have obtained permission from the person(s) featured in the photo. Gypsie Designs may refuse to copy the photo if you are unable to meet with this request. In such instances, Gypsie Designs will promptly return the photo and refund payment.

* In relation to the submitted photo, you indemnify Gypsie Designs against any claim damages or expense suffered in connection with any infringement of another person's intellectual property rights or unauthorised use of another person's image.

* The images reproduced on this website are the best representation of actual colours and designs we are able to present. However due to the fact that a different printing process will be used to produce your cards there may be some variation in both colours and designs.

* Variations in colour, image quality and position of your photo image may occur in the finished product. The customer acknowledges that the finished photo image is dependent on the quality of the photo submitted.

* Gypsie Designs reserves the right not to print a photo if in our opinion, it is unacceptable, for whatever reason. In such instances Gypsie Design will return the photo and refund payment.

* While every endeavour will be made to ensure that the personalised cards will be produced and dispatched within 5 working days after the receipt of your order, delivery delays may be experienced. If personalised cards are required for a special occasion, ensure that your order is placed early.

* The image created from your photo will not be stored (electronically or otherwise) by Gypsie Designs. Reordering of the image will require re-submission of the photo.

* Your card will remain the property of Gypsie Designs and may be used in the advertising media (personal details will not be used).

* Placing your order will indicate to us your acceptance of these terms and conditions.

Selecting & Sending a Photo

We achieve the best results from digital photos that have been emailed to us rather than using prints from your digital files. The digital photos should be the original file that you took with your camera rather than a scan that you have done from a print. Please do not edit/crop/alter your photos in anyway. I am able to fix red eyes if necessary.

EMAILING your photo - Please email your digital photos in a high quality JPEG (.jpg or .jpeg) format to gypsiedesigns@exemail.com.au along with your contact details. Good quality JPEG photos are usually around 1000KB. If you are unsure if your chosen photo is high enough in resolution then please email it to us and we can check it for you.

**** Don't forget to send your photo****
