Further Directions for the Night of the Reunion.

Hi all,

Apparently there is another Kingsgrove School reunion in another function room at St George Leagues Club on the same night as ours. (How coincidental is that?) Anyway to avoid confusion and to ensure you attend the right reunion (just in case you thought it strange you couldn't recognise anyone) make sure you ask for the Kingsgrove North 30 year Reunion (4th Form 77 and 6th Form 79) being held in the Riviera Function Room. To access the Riviera Room you walk through the foyer and into the bistro on your left and down a lift one level to the basement level and you will be right outside the Riviera Room.

Next. People will be coming in from all over for our reunion so here is a list of motels in the vicinity. Or you could always contact one of your old school mates and stay the night at their place and make the reunion last longer.
