

Cut around the outside of the main planisphere.
 Cut out the oval viewing pane.
 Cut out the biggest circle on page 2.
 Laminate both parts,
 cut around the outside of the shapes,
 do not cut out the oval viewing pane.
 Fold along the dotted line.
 Insert a small paper fastener
 through the viewing pane,
 middle of the circle and back,
 to secure the dial in place.

By rotating the Month/Date
 circle to match the time,
 the sky is shown in the
 viewing pane.

Rotate the planisphere
 so that the direction you
 are facing is at the bottom
 of the viewing pane.
